FIRE CHIEF'S REPORT

The members of the Harrisville Fire Department wish to extend their thanks to Mr. Wellington Wells who contributed $450.00, Mrs. George A. Thorne who gave $75.00, a total of $525.00 to the department for the purchase of a forest fire pump. Type Y Pacific pump. The Department feels that with this pumper they will have a much better chance with the very serious fire menace which will face all towns this spring.

I wish also at this time to thank all of the volunteer members of the Department, of which the Department consists, for the cooperation and splendid work they have accomplished during the past few years that we have been organized.

JOHN N. CLARK,
Fire Chief.

LIBRARIAN'S REPORT

Another year has finished and although the general circulation has not increased it has been a successful year. Adult fiction 2,511, juvenile 1,462, and non-fiction 1,021. Due to the purchase of a new set of Encyclopedias, Book of Knowledge and a new Atlas, our non-fiction circulation has risen. The encyclopedias cost us $49.50 and will be paid for over a period of two years. This set has been used a great deal by High School students for reference work. Our deposit stations continue to be a help to the circulation.

A new flag pole and flag have been added to our equipment and has been displayed on several occasions. A hedge around the grounds has been planted in hopes of keeping people off the grass.

A janitor has been hired to keep the grounds and start the fires in the building. He is Raymond Emery and his services are greatly appreciated.

Donations of books have been received from Clifford Cloutier, Onni Saari, Jimmie Lavigne and Jerome Rogers. To them and any others contributing books we are thankful. As you may notice, all donations have been juvenile books this year.

Respectfully submitted,
HELEN B. THAYER,
Librarian.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Harrisville:

I herein submit my sixteenth annual report as superintendent of schools.

ORGANIZATION FOR SCHOOL YEAR 1937-1938

School	Teacher	Enrollment
Harrisville Grammar,	Annie E. Boynton,	25
Harrisville Primary,	Anne V. Crowley,	27
Chesham,	Beatrice Hickey,	27
Total.		79

PROMOTIONS

The following number of promotions in respective grades were made in June:

Grades	I	II	III	IV	V	VI	VII	VIII
Grammar,					4	4	9	4
Primary,	6	9	3	5				
Chesham,	3	3	1	3	2	2	2	3
Totals,	9	12	4	8	6	6	11	7

These promotions were made on the following points: regularity of attendance, term rank, standard tests and examinations given by the teacher.

Metropolitan Achievement tests were given; one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade. These tests are very helpful in the gradation and placement of our pupils. By their

use much of the personal equation of the individual teacher is eliminated. They show not only the strong features but also the weak of our educational system.

GRADUATES OF THE EIGHTH GRADE

The graduates of the eighth grade were as follows: Shirley Annala, Philip Chamberlain, Olive Horton, Ellen Luoma, Eugene Main, Beulah Seaver and Toivo Saari.

ORGANIZATION FOR YEAR 1938-1939

School	Teacher	Enrollment
Harrisville Grammar,	Annie E. Boynton.	22
Harrisville Primary,	Anne V. Crowley,	27
Chesham,	Beatrice Hickey,	20
Total,		69

At time of writing, the schools are well organized, the attendance is good, the attitude of pupils is cooperative, the progress of school work is normal and instruction of teachers give evidence of thoughtful planning and direction that promises a successful year.

For health activities consult the report of Miss Harris, the district nurse.

In conclusion, I wish to thank the school board, teachers and parents for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,
Superintendent of Schools.
